Texture & Finish

Woodtone Wall & Ceiling is created from knotty, appearance grade, softwood species. The coating is manufactured by Sherwin Williams and applied in a controlled factory setting.

Installation

Full installation guide: woodtone.com

- Consult and follow all applicable local building codes
- Do not install defective material, review before install
- A reveal is recommended to compensate for potential expansion and contraction of the wood product
- All end cuts must be sealed using touch-up paint

Storage and Handling

Full Care and Maintenance guide: woodtone.com

- Do not store pallets directly on the ground
- Ensure that slip sheeting stays between boards
- Use plastic wrap provided to keep the product dry
- Do not lift more than 2 packs by forklift at a time
- Do not stack pallets more than 3 high

Touch-up

Order touch-up online at woodtone.com/store. Full instructions available on our website.

- Check the touch-up color ordered is correct
- Mix paint well, do not allow paint to freeze
- Test the color on the sample piece or hidden area

Warranty

The Wall & Ceiling Collection carries a 15-year limited warranty. Visit woodtone.com for full details.

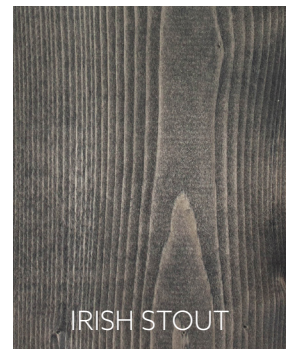

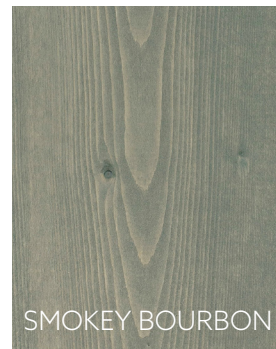

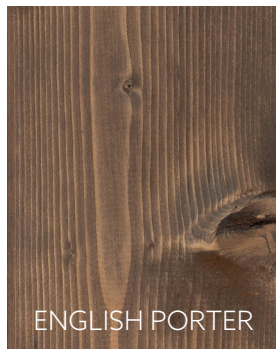

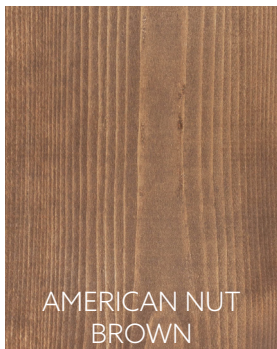

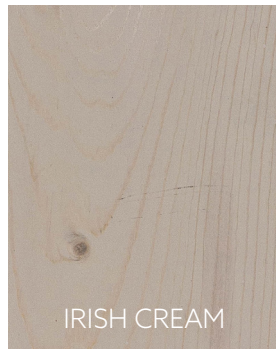

Important Notes

- Product is knotty wood. Finished product will not be blemish free
- Acclimatize product for 5-7 days prior to install
- Warranty does not cover natural occurrences like extractives, knot-bleed, variations in grain and color, knots, mineral streaks and pitch pockets
- Installation will be considered final acceptance of product, review material prior to installation
