

Tando Building Products: *10-Year "Like New" Confidence Coverage**

Tando Building Products was born out of research that shined a light on the needs of the professional installer and homeowner alike. We understand the need for low maintenance products that resist the outdoor environment and do not compromise on natural beauty. We also understand your desire to keep your home looking “like new” for many years to come.

Our premium line products, ***Beach House Shake and Signature Stain***, come with an extra layer of protection. Our “Like New” Confidence Coverage provides customers the peace of mind, knowing that the color of their exterior cladding will remain unchanged for years to come. For 10-years, we warrant that the Product’s color will not fade from light or weather exposure and resist the customary color fading of traditional wood materials.

Tando Building Products, a game changer in exterior cladding and the “new” face of exteriors!

This warranty is in addition to our standard: ***50-Year Performance Plus Warranty*** that applies to all TandoShakeTM and TandoStoneTM materials.

Please visit www.tandobp.com for detailed information on our Products and warranty details.

**10-Year “Like New” Confidence Coverage provides the Product’s color will not fade from light and weathering exposure, as measured by a color change of more than 2 Delta E (CIElab) units. While the Product is designed to resist fading, no material is fade proof when subjected to years of exposure to ultraviolet (UV) rays and the elements.*
