

## FOREST PRODUCTS SUPPLY CO. EXPANDS TO NORTHWEST ARKANSAS

**ST. LOUIS, MO (August 5, 2024)** – Forest Products Supply Co. is pleased to announce the expansion of its operations into Northwest Arkansas. This new distribution center, which will be the company's eighth location, is set to open in August 2024 and will be managed by the newly appointed General Manager, Vince Balassone.

Forest Products Supply Co. Fayetteville will be the exclusive distribution center for Weyerhaeuser/Trus Joist throughout the entire state of Arkansas. In addition, this branch will also provide a comprehensive range of products, including James Hardie Siding, Canfor WynnWood Boards, Western Forest Products Cedar, Deckorators Decking, Douglas Fir Timbers, Fire Treated Lumber and Plywood, as well as a complete line of SPF, Douglas Fir, SYP, OSB, and Plywood.

This strategic expansion positions Forest Products Supply Co. to serve an extensive customer base across 18 states, reinforcing our commitment to delivering high-quality building products and exceptional service in the Midwest.

"We've listened closely to our customers in Arkansas, and we're confident that our product selection, large inventory, and commitment to quality service will be a valuable asset to the region," said Dan Millman, Vice President of Forest Products Supply.

The success of Forest Products Supply's branches in Kansas City, KS, and Oklahoma City, OK, created a strong customer base within the Arkansas market we are excited to expand upon.

### About Forest Products Supply

Founded in St. Louis in 1987, Forest Products Supply has grown to eight locations serving over 3,500 customers across 18 states. The company's mission is to be a low cost provider of building materials while also having the most diverse product mix and largest inventory in the market.
